Organization

Name	Divé maky
Short description	Divé maky is civic association which helps talented Romany children and youth from social week conditions through Divé maky program in the form of mentoring and scholarships. Dive maky program cover their costs for education, talent and personal development from donations given by individual donors. This helps them to study at quality schools and develop their talent. By specialized system of mentoring the students work also on their personal development. (soft skills, communication, leadership etc). Through year we also organize workshops for children and mentors. From the beginning of Dive maky program we've also organized several media campaigns to break social prejudice against Roma in Slovakia. Since 2009 we also organize summer festival "Gypsy bashavel".
